INFORMATION DISCLOSURE STATEMENT UNDER MPEP §609

Commissioner For Patents PO Box 1450 Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR §1.56, §1.97, §1.98, and MPEP §609, applicant encloses a copy of the references listed on the attached form PTO/SB/08A for consideration by the Examiner. The references are discussed/cited in the enclosed European Search Report from a corresponding application, dated 06 September 2007. An English translation of the reference FR2522102 is not being submitted herewith, as it is unavailable. However, relevance of this reference in comparison to the present invention is discussed in the background section of the present application. Such discussion is not meant to be exhaustive of the differences between the present invention and the reference, but merely illustrative.

Each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more that three months prior to the filing of the information disclosure statement. 37 CFR 1.97(e)(1).

Each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart application and this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the information disclosure statement.

The listed references are being cited only in the interests of candor and without any admission that they constitute statutory prior art or contain matter which anticipates the present invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

Favorable consideration is respectfully requested.
